

K.R.L.A Plan

The KRLA plan is a four step process to help you determine:

- What you already know
- Research on how to meet your goal
- What you learned from your research
- And how you plan to implement what you learned

K-know

(What do you already know ?)

- Include starting data points & skills.
- List technology you already know how to use.

R-Research

- read blog posts and articles
- note any techniques, strategies, or classes
- Pick 1 or 2 to explore further.

L-Learn

(Focus on a strategy that you researched.)

- Invest in a class or further research on the topic.

A- Apply

(Put what you have learned into action)

- Keep track of your progress.
- Take note of what is and isn't working.
